RESOLUTION NO. 26-07-03

WHEREAS, this Resolution was offered by Commissioner S. GRAVES and seconded by Commissioner T. STOUT, and adopted after an affirmative vote of a proper quorum of the Board of Commissioners at a meeting which was called and held after all required legal notice and pursuant to all procedural requirements, laws of this State, and after a public comment period was afforded prior to action being taken, which Resolution provides as follows:

IT IS RESOLVED, that the Board of Commissioners authorizes the Fire Chief to solicit proposals from qualified architectural firms to develop a conceptual design for the expansion of **Station 51**. The proposed concept shall include expanding the apparatus bay to accommodate a future ladder truck and increasing the building's storage capacity. The purpose of this effort is to obtain conceptual plans and associated cost estimates for the Board's future consideration.

The Resolution was read in full, the roll was called on the adoption thereof, and the resolution was adopted by the following votes:
